

In this clip from the featurette “Marvel’s The Avengers – A Visual Journey”, fans get a look at the design process behind the new helicarrier, how much of the ship was digital, and more. Whedon also talks about how much they pulled from the comics with the new design. The Avengers is scheduled to be released on Blu-ray, Blu-ray 3D and DVD on September 25, 2012. The film will also be collected in a 10-disc set titled Marvel Cinematic Universe: Phase One – Avengers Assembled, which will include all of the previous films in the Marvel Cinematic Universe.
