

When The Hulk was conformed as being part of the lineup for The Avengers many fans assumed that he would be smashing up the place and playing a villainous role at first. Now we still don't know if that will be the case or not but one thing is for certain, anyone hoping for some Hulk related carnage on the scale we saw in Mark Millar's Ultimates is in for a disappointment. In an interview with Total Film Whedon explains why and elaborates on exactly which Avengers team we will see in the movie.. Total Film: Are you basing The Avengers on any particular comic book series? Whedon: No, it's an amalgam. There's some originals, some Ultimates and some characters from different runs-and hopefully some new stuff too. We're certainly not going to have Hulk killing hundreds of people. It's not as cute on film as it is in the comics. Who are The Avengers
