

Similar to last year's Iron Man 2 promotion, junior novels for Marvel & Kenneth Branagh's much-anticipated THOR movie have now become available for purchase. Broken up in major sequences of the film and beyond, in pictures, you can check out six of the novels below, their covers, and their Spoilery summaries. Written by Elizabeth Rudnick, via Disney read the descriptions at your own will. Battle for Asgard! Battle for Earth! Thor Odinson was about to become the king of Asgard...until the fearsome Frost Giants attacked. Seeking revenge, Thor and his companions journeyed into the frozen land of Jotunheim, which almost led to a brutal war between the realms. In order to teach his son a lesson, Odin Allfather stripped Thor of his power, took away his mighty hammer, and banished him to the realm of Midgard, also known as Earth. But all is not well. There is a traitor in
