

The trilogy, based on the best-selling book by Michael Crichton, generated nearly \$2 billion combined at the worldwide box office and featured groundbreaking visual effects that changed the art of movie-making forever. Now, all three epic films have been digitally restored and re-mastered. Additionally, the films' visceral sound effects and the unforgettable music from legendary composer John Williams can now be heard in pristine 7.1 surround sound. Arriving in stores just in time for holiday gift giving, this collectible three-movie set also features hours of bonus features, including an all-new, six-part documentary and digital copies of all three films that can be viewed on an array of electronic and portable devices anytime, anywhere. The Jurassic Park Ultimate Trilogy is also available on DVD, as well as in a spectacular Limited Edition Blu-ray Trilogy Gift Set, which includes a custom T-rex dinosaur statue. The Jurassic Park Ultimate Trilogy features an all-star cast including Sam
