

First they get our Marvel movies before us and now they get our superhero cartoons first, as well... Justice League Action will kick things off in a major way, with a four-episode special titled Shazam Slam, which will see Shazam, Batman, The Wizard and Superman joining forces to take down Black Adam and escaped Djinn. The series (which breakdown into 11-minute episodes similar to Teen Titans GO!) premieres on Friday, December 16 before airing in its regularly scheduled timeslot on Saturdays, beginning on Christmas Eve. However, the show will debut a month earlier in the UK on November 26. Other confirmed heroes set to appear on the show include Wonder Woman, Firestorm, Martian Manhunter, Mr. Terrific, Big Barda and more. Kevin Conroy and Mark Hamill will reprise their longtime roles as The Dark Knight and the Joker, respectively. Shazam Slam ' The villainous Black Adam battles Batman on the Rock of Eternity and unleashes a horde of Djinn determined to turn the Earth back to
