

You'll surely recall those Jedi-Superman mashup pics that were doing the rounds in the buildup to the release of Man of Steel? Well, now director Zack Snyder has taken things one step further and actually put together his own Star Wars/Batman V Superman trailer known as Dark Side Knight V Superjedi: Dawn of The Alliance. The trailer is only available to watch over at Vero at the moment (you'll have to join and follow Sybder to see it), but we'll update with an embed ASAP. For now, check out some screencaps below.
