

"If this third trial proves as successful as the previous two, I believe there will be little question -- that the iron gentleman shall be ours to command!"--JUSTIN HAMMER --> Comic Book History Who is JUSTIN HAMMER? JUSTIN HAMMER is a villain in Marvel Comics; he is a frequent adversary of the superhero Iron Man. His first appearance was in Iron Man (1st series) #120 (March 1979). Hammer is the reason why many of Iron Man's supervillain enemies have access to extremely advanced technology, and why these foes use their equipment for violent crimes instead of profiting by bringing the designs to market. Hammer reveals that the villains are his underworld mercenaries, secretly armed and contractually obligated to fulfill missions against Hammer's competitors and enemies. First Appearance JUSTIN HAMMER rivals Tony Stark (Iron Man) as an industrialist and a multi-billionaire businessman, but he use his resources for more nefarious deeds like financing crimes and other
