

If memory serves, not so much as a single clip from Star Wars: The Force Awakens was released online, but we now have yet another one for Rogue One: A Star Wars Story. Chronologically, I think this clip takes place before the first, and we see more of the somewhat tense relationship between Jyn Erso and K-2SO. He certainly doesn't seem to trust her anyway, but Captain Cassian Andor just might! Is this humour a result of the reshoots spearheaded by Tony Gilroy? We'll probably never know, but it certainly seems likely given what we've heard in the past. Either way, it definitely seems to work! The cast of Rogue One: A Star Wars Story includes Felicity Jones, Mads Mikkelsen, Alan Tudyk, Donnie Yen, Forest Whitaker, Diego Luna, Riz Ahmed, and a number of others, and it's currently set to be released on December 16th, later this year. Let us know your thoughts on this in the usual place.
