

There has been a lot of talk recently about Marvel Studios bringing back Clark Gregg's Agent Coulson as the Vision after his tragic death at the hands of Loki in Marvel's The Avengers. It started off as a rumoured extra after-credits scene and soon took on a life of its own, with MTV even compiling a list featuring their thoughts on why they think it's a likely development in the history of the popular character who made his debut in 2008's Iron Man. During the Avengers Vs. X-Men panel on Sunday at the Kapow! Comic Convention in London, Marvel Chief Creative Officer Joe Quesada had this to say when asked about the theory. "The fans desire for him to become the Vision? I dunno man, it doesn't feel right. That's strictly just fan speak. I don't where that came from. I heard that for the first time yesterday. So, nah...no comment!" He then
