

After being shown 20 minutes of the movie on Saturday, those of us in attendance at the Kapow! Comic Con Thor panel were then treated to an additional two scenes. Here are my detailed (and spoiler filled) descriptions of those, along with my take on each of them. You can find my analysis of the longest scene by clicking [HERE](#) as well as a description of the Q&A with Chris Hemsworth and Tom Hiddleston by clicking [HERE](#). The first scene put the spotlight very much on Loki. This was exactly what I was hoping for. While we're all pretty convinced that Tom Hiddleston will make a great Loki, we've not really seen that much of him in the trailers and TV Spots that have so far been released. Well, it was enough to convince me how perfect a casting choice he is. The scene began with the Warriors Three and Sif approaching
