

Next Monday's episode of Supergirl is really going to put Kara & Lena's friendship to the test as the adopted Luthor spawn is accused of orchestrating her mother Lillian's escape from prison. While a good chunk of the next installment will see the Girl of Steel attempt to prove her friend's innocence, the episode will also feature flashbacks that are expected to provide answers regarding Lena's childhood and her history as a Luthor (could we see a young Lex?). A new poster for "Luthors" has been released with Melissa Benoist's title character flying high over the planet Earth. Check it out below: "Luthors" - (8:00-9:00 p.m. ET) (TV-PG, V) (HDTV) LENA IS ARRESTED - After Metallo (guest star Frederick Schmidt) breaks out of prison and frees Lillian Luthor (guest star Brenda Strong), the police blame Lena (guest star Katie McGrath) for his escape and arrest her. Despite overwhelming evidence, Kara (Melissa Benoist) refuses to believe her friend is guilty and fights to clear Lena's name.
