

Here we have a couple of preview clips from tonight's installment of Supergirl, which is titled "We can be Heroes". In the first, the Girl of Steel and Mon-El come up against Livewire, who uses her powers to recruit an electrifying new ally. Plus, it seems Winn is having second thoughts about helping James with his new calling as a crime-fighting vigilante and insists that he reveals his secret to Kara. After Livewire (guest star Brit Morgan) seemingly breaks out of prison, Supergirl (Melissa Benoist) is intent on recapturing her. After training Mon-El (Chris Wood), Supergirl takes him with her when she sees Livewire attack the NCPD but things go awry when Mon-El puts Supergirl before the citizens of National City. Meanwhile, James (Mehcad Brooks) decides to come clean with Kara and M'Gann (guest star Sharon Leal), has a psychic attack and collapses into a coma.
