

The latest issue of Complex features an interview with the Thor actress and what follows are the movie relevant excerpts of that article. If you're interesting in hearing more from Dennings, be sure to follow the link on over to the site by clicking below. Did you take anything from the set of Thor? No. They gave me stuff, but I never stole anything. [Laughs.] I have a problem; I don't like to do things that are bad. What did they give you from the set? Oh, they gave me a book from the set and a poster, just little things. Book and a poster?! What were you, an extra? What book did they give you? I'm not sharing all the secrets. Maybe when you guys see Thor, you can try to pick it out of the movie. Did you do any Hannibal Lecter impressions for [Thor co-star] Anthony Hopkins? [Laughs.] Oh, Jesus. No! That would have
