

While X-Men: The Last Stand goes down as one of the more mediocre installments in 20th Century Fox's X-Men Franchise, Kelsey Grammer's Beast was one of the characters that received unanimous praise. Unfortunately, we only got one film with Grammer as the blue-furred mutant, with Nicholas Hoult taking over the role as a younger Hank McCoy in X-Men: First Class, X-Men: Days of Future Past, and X-Men: Apocalypse. While we did see Grammer briefly reprise the role in a split second cameo in Days of Future Past, it hasn't stopped fans from wanting the actor to make a return as the fan-favorite mutant. During an interview with Comicbook.com at New York Comic Con (promoting his film Trollhunter), the actor said he'd love to do just that. "Of course I would," Grammer said when asked about whether or not he'd return to the franchise. "Beast was a riot, I think he was underused...I believe that they should have done another Beast movie, you know with my
