

We know that Branagh won't be back to helm Thor 2 (Marvel have settled on Alan Taylor..for now!) but the director still seems to have a CBM bug in his system. He has already stated in a previous interview that he would never rule out returning to Marvel on a different project, but now while speaking to The Examiner Branagh seems to suggest that it wouldn't necessarily have to be Marvel, and that he wouldn't mind stepping in front of the camera while he's at it.. "I don't know what it would be, but I would be delighted to go back and do some other kind of comic book movie, on either side of the camera or both." "Given the scale of film, and the range of energy, storytelling and narrative devices you can use -- and the sort of extreme sorts of characters that those movies can allow -- it
