

While Blu-Ray numbers are still not revealed, The Numbers.com has updated the chart for DVD. With that, another good news. Kenneth Branagh and Marvel's THOR was released on Blu-Ray/DVD on September 13, and it made almost \$15 million from that date to September 18. Definitely a very good start. Meanwhile, Matthew Vaughn's X-Men: First Class starring starring James McAvoy and Michael Fassbender made another \$10 million in the second week of release. So, like I mentioned above, this is just DVD. Blu-Ray numbers will probably be revealed very soon.
