

The folks at Collider have conducted a huge interview with the driven force behind Marvel's Cinematic Universe, Marvel Studios' president Kevin Feige. Ultimately discussing the Kenneth Branagh-directed Thor, Feige also discusses forthcoming films The Avengers, Iron Man 3, Ant-Man and debunking Doctor Strange references in Thor. You have the option to read the interview or listen to the audio [HERE](#). Even shedding light on what was filmed last week in New York, as well confirming the Helicarrier in The Avengers, check it out! On Thor's deleted scenes, I think a few shots of the Destroyer and I was talking to [co-producer] Craig Kyle and he was mentioning to me that there might have been a reference to Hank Pym in the movie that might've been taken out. That scene is in the movie. Literally the only thing we took out were the words "Hank Pym". It was when Selvig, Darcy,
