

It seems that story about big Kevin Nash being a part of the upcoming Ghost Rider sequel was premature, as the 52 year old former pro-wrestler hasn't heard a thing about it much less stepped in front of a camera.. Don't know where the Ghost Rider story came from but not me. I think I would remember filming it. What an asshole if i did but forgot. Well, disappointed, happy, indifferent? He did have a great scrap with Thomas Jane in The Punisher.. Ghost Rider: Spirit of Vengeance is an upcoming superhero film based on the Marvel Comics supernatural antihero Ghost Rider, scheduled to be released in theaters on February 17, 2012. The film is a sequel(of sorts) to the 2007 film Ghost Rider. It will be directed by Mark Neveldine and Brian Taylor. Cage will reprise his role as Johnny Blaze/Ghost Rider. By TwitterButtons.com
