

Once again Mark Millar's comic book comes to life as we see Kick-Ass/Dave Lizewski with his new superhero team, Justice Forever. This is our first look at actor Donald Faison in his Dr. Gravity costume, as he shows off his "Gravity Pole." We see the return of Marty Eisenberg (Clark Duke), Dave's best friend who this time around is sporting his own costume, and calls himself Battle-Guy. Actor Robert Emms can also be viewed wearing his Insect-Man outfit, and the husband and wife team "Remembering Tommy" were also in attendance.
