

Jim Carrey has finally been spotted on the set of Jeff Wadlow's Kick-Ass 2. A set that is located in Toronto, Canada, but transformed to look like New York. He was seen with Night Bitch (Lindy Booth), Kick-Ass (Aaron Johnson), Insect-Man (Robert Emmes) and his testicle-eating dog, Sofia.  Photo Courtesy of Peter Schnobb Colonel Stars used to work for John Genovese alongside the man who would become Lieutenant Stripes. Both men became born-again Christians before leaving Genovese's employment. Because of this, both survived when Kick-Ass and Hit-Girl took the organization down. Colonel Stars and Lieutenant Stripes both formed Justice Forever, inviting other superheroes to join. They soon recruited Remembering Tommy, Night Bitch, Insect Man, Battle Guy and later Kick-Ass. Their first mission involved taking down a human trafficking organization. Colonel Stars shows contradictory elements in appearing to be a hardened tough guy when in reality sometimes appearing to be quite soft. He seems
