

As the cameras have started rolling in Toronto, Canada, on Kick-Ass 2, writer and director Jeff Wadlow has kept fans up to date with plenty of teases and photos from the set. The latest gives us our first official look at Aaron Johnson's 'Kick-Ass' and Donald Faison's 'Dr. Gravity' after a week of almost non-stop set photos which included our first look at plenty of the other members of "Justice Forever" too. Also below are some more updates from Wadlow, including a very cool shot of Chloe Moretz prepping for a scene as 'Hit-Girl'. Day 11...
