

The sequel is definitely happening says Christopher and as fans of the comic book know, he states he'll have some help to take on Kick-Ass. But Kick-Ass won't be alone. "It's very dark. It's 'Warriors' meets 'Kick-Ass' at the end. he has a gang of superheroes and I have a gang of villains. It's... huge. Huge," Mintz-Plasse said. He also confirms that his character will indeed be called Motherfucker however one scene in the comic book will not make it into the film. There's no rape in this one, guys. "There was one thing they took out, thank god, my character rapes a girl in the comic. And in this one its really funny because... well, I don't want to ruin it. There's no rape." The actor went on to reveal that the sequel actually has a smaller budget and that the cast all took pay cuts to make the movie happen.
