

"You're all just rookies right now. Rookies who have all been chosen to serve, protect, and obey. You've been recruited like others have for millennia cuz you all have the potential to overcome fear. ..."--KILOWOG --> Comic Book History Who is KILOWOG? KILOWOG is the Green Lantern of Space Sector 674 and The Corps drill sergeant. Green Lantern KILOWOG was created by Steve Englehart and Joe Staton, and the character first appeared in Green Lantern Corps # 201 (June 1986). First Appearance KILOWOG was a geneticist and one of his planet's most brilliant minds. After the previous Lantern, Branwill, died, KILOWOG was chosen to be a member of the Green Lantern Corps. KILOWOG is from the planet Bolovax Vik, like others of his race he is a towering alien with a brutish and porcine appearance. KILOWOG is renowned throughout the Green Lantern Corps as the primary trainer of the Corps' newest recruits. KILOWOG started his Green Lantern
