

Marvel Studios is the gift that keeps on giving, at least that's how I'm feeling right about now! Hell I wrote an article last week that ruffled a few feathers when I asked is Captain America the greatest comic book movie trilogy, and with no disrespect intended it made Batman fans of The Dark Knight crap their pants!!! I even had to tell one dude don't let Batman get your ASS WHOOPED lol!! Just joking!!! But they were upset, and good for them cause the Dark Knight was a pretty good trilogy by the way. Anyhow there is a new movie trilogy on it's way that has the potential to be better then both Captain America and the Batman trilogies...the one and only Black Panther! Man I can't wait! We only have 1 Year 1 Month 8 Days 5 hours 59 Minutes and as I write this
