

"I am the Lady SIF. Born a goddess and forged a warrior. I have been baptized in the tears of my enemies. And their children's children fear my name." --SIF --> Who is SIF? SIF is the Sister of Heimdall, guardian of the Bifrost bridge. She has been the constant companion of Thor and Balder since childhood. Like most Asgardians, SIF was born with golden hair. Hers, however, was turned black after Loki jealously cut it and replaced it with enchanted hair made by dwarves. At an early age she showed great prowess as a warrior and was considered the best female warrior of all of Asgard. She is destined to be the wife of Thor. SIF and Balder SIF is a Marvel Comics character mainly featured in Thor comics. She was based on the mythological being with the same name. SIF first appeared in Journey Into Mystery #102, she was
