

The visuals of Doctor Strange were something to behold; the movie received many nominations for its visual effects, from the Oscars to BAFTA, and it has already won the Annie Award. Between the rumble within the Mirror Dimension and bargaining with Dormammu, the Hong Kong showdown between Doctor Strange (Benedict Cumberbatch) and Kaecilius (Mads Mikkelsen) is the best case study of the movie's effects. A new VFX reel from Industrial Light & Magic has now illustrated how the sequence was brought to the big screen. You can check out how the spectacular fight between Strange, Mordo and Kaecilius and the rest of his Zealots was made below. UPDATED with a second reel!

Marvel's Doctor Strange follows the story of the talented neurosurgeon Doctor Stephen Strange who, after a tragic car accident, must put ego aside and learn the secrets of a hidden world of mysticism and alternate dimensions. Based in New York City's Greenwich Village, Doctor Strange must act as an intermediary between the real
