

Following the recent trailer for Iron Fist, Netflix has debuted another teaser for the upcoming Marvel TV series. Though quite a lot of it is made up of footage from the previous trailers, there are a few new/alternate shots in there too. The promo also offers some brief bullet points of information on the "Living Weapon" for those that may not be too familiar with the character. Check it out below, and let us know if you're looking forward to Iron Fist in the comments section. Fifteen years after being presumed dead in a plane crash, Danny Rand (Finn Jones) mysteriously returns to New York City determined to reclaim his birthright and family company. However, when a long-destined enemy rises in New York, this living weapon is forced to choose between his family's legacy and his duties as the Iron Fist. Iron Fist hits Netflix on March 17, 2017.
