

Will Legends of Tomorrow take influence from Mike W. Barr's Camelot 3000 comic series? Some set pics from last week definitely suggested as much, and now EW has shared some casting news that confirms the team will be visiting the mythical city of Camelot in some capacity at least. According to the site, Canadian actress Elyse Levesque (The Originals, Stargate Universe, Orphan Black) has been cast in a guest-starring role for an upcoming season 2 episode as Guinevere, which of course means Arthur, Merlin etc will probably be showing up too. DC's Legends of Tomorrow returns Tuesday, Jan. 24 at 9 p.m. ET on The CW.
