

This week's episode of Legends of Tomorrow revealed that the Reverse-Flash needs the Spear of Destiny in order to rewrite his history and stop the Black Flash from catching up with him. The Legion of Doom was able to stop the speedster for now, and next Tuesday will feature them squaring off with the Legends as the mind scrambled Rip Hunter finds himself caught right in the middle of them! What did you think of tonight's Legends of Tomorrow? As always, let us know in the usual place. When The Legends find a new Time Aberration they learn they must travel to the winter of 1776 to protect George Washington and the American Revolutionary War. Unfortunately, things don't go as planned, forcing Sara (Caity Lotz) to send out Nate (Nick Zano) and Amaya (Maisie Richardson-Sellers) to help. Meanwhile, Jax (Franz Drameh) and Stein (Victor Garber) who are busy protecting the incapacitated Waverider from their new enemy, are forced to step into roles that they
