

The Legion of Doom has managed to reprogramme Rip Hunter so that he's a villain, and that makes him an official part of the Reverse-Flash's team! When Legends of Tomorrow returns two weeks from now, he'll still be by their side as members of the Justice Society of America make their presence felt to help protect the fragments of the Spear of Destiny, a reality altering artefact Eobard Thawne needs. What did you think of tonight's Legends of Tomorrow? Let us know in the comments section below! The Legends continue their quest to hunt down the Spear of Destiny before the pieces fall into the hands of the Legion of Doom. The Legends discover that pieces of the Spear are each being guarded in different time periods by members of the JSA. Their first stop is the future where they find Dr. Mid-Nite (guest star Kwesi Ameyaw) which eventually leads them to the past and King Arthur's Camelot, where Stargirl (guest star Sarah
