

No, its not Bale and Jackman punching it up (although they have previously had at eachother in Nolans "The Prestige"). This time the boys over at batinthesun.com have finally given us a bout to make any CBM fans mouth water. Film maker Aaron Schoenke has previously given us such groundbreaking fan films as Batman: Legends, Batman: City of Scars and Batman: Seeds of Arkham, however this is his first time tackling a marvel character in the newest episode of Super Power Beat Down. Try not to sh#@ yourselves!
