

As a Valentine's Day gesture, James Mangold has shared a gorgeous new IMAX poster for Logan. The image depicts The Wolverine (Hugh Jackman) with his claws bared, as Professor X (Patrick Stewart) and X-23 (Dafne Keen) stand with him. The villainous Donald Pierce (Boyd Holbrook) and his Reavers can also be glimpsed below. Logan will receive its world premiere this week at the Berlin Film Festival, so it shouldn't be too long before we get some initial reactions. In the meantime, you can check out the latest TV spots for the film right [HERE](#). In the near future, a weary Logan cares for an ailing Professor X in a hide out on the Mexican border. But Logan's attempts to hide from the world and his legacy are up-ended when a young mutant arrives, being pursued by dark forces. Logan claws its way into theaters on March 3.
