

This latest Logan image is titled simply "Weapon", and gives us a look at an unknown character (probably safe to assume it's not Hugh Jackman's Wolverine, anyway) holding some type of staff or thin pipe behind his back. Your guess is as good as mine with this one - but, we do know that Logan is going to get a vicious beating at the hands of The Bangers at the beginning of the film, so perhaps this shot is a precursor to that? Let us know what you think in the usual place. Logan also stars Patrick Stewart, Richard E. Grant, Boyd Holbrook, Stephen Merchant, Dafne Keen, Eriq La Salle, Elise Neal, and Elizabeth Rodriguez. The final Wolverine movie is set to claw its way into theaters on March 3, 2017.
