

X-Men: First Class charts the epic beginning of the X-Men saga, and reveals a secret history of famous global events. Before mutants had revealed themselves to the world, and before Charles Xavier and Erik Lehnsherr took the names Professor X and Magneto, they were two young men discovering their powers for the first time. Not archenemies, they were instead at first the closest of friends, working together with other Mutants (some familiar, some new), to stop Armageddon. In the process, a grave rift between them opened, which began the eternal war between Magneto's Brotherhood and Professor X's X-Men. In this edition of the X-Perts series, actor Lucas Till who plays Havok answered a few questions submitted by fans about his role in Matthew Vaughn's upcoming movie 'X-Men: First Class'. Who is your favorite super hero, and why? My favorite superhero has always been Batman. Although being a billionaire is nearly impossible for myself, it's
