

--LUCIUS FOX --> Comic Book History Who is LUCIUS FOX? LUCIUS FOX is a DC comics character primarily appearing in Batman comic books. He was created by Len Wein and John Calnan, and first appeared in Batman #307 (January 1979). Lucius acts as Bruce Wayne's business manager who supposedly unknowingly runs the business interests that supply Batman's equipment needs as well as financing his operations. First Appearance LUCIUS FOX is CEO of Wayne Enterprises, Fox has been said to have "Midas Touch" of turning failing businesses into successful conglomerates. Fox is called in to the failing Wayne Enterprises and brings a balance to both Wayne's private and business finances. LUCIUS FOX was shown heading the project that produced the prototype that would become the Batwing. He also manages the particulars of the Wayne Foundation while Wayne dictates the organization's general policies. Since then, Fox has been approached by other companies seeking his expertise, and often
