

Marvel's Doctor Strange had its premiere in Hong Kong last Thursday night, and will continue with a few more foreign release dates this month before opening in North America on November 4th. Marvel has kept up the marketing with a new TV Spot and a new international (Hong Kong) trailer, showing some fresh scenes, dialog, and time-bending magic. Check them out below!

From Marvel comes DOCTOR STRANGE, the story of world-famous neurosurgeon Dr. Stephen Strange whose life changes forever after a horrific car accident robs him of the use of his hands. When traditional medicine fails him, he is forced to look for healing, and hope, in an unlikely place – a mysterious enclave known as Kamar-Taj. He quickly learns that this is not just a center for healing but also the front line of a battle against unseen dark forces bent on destroying our reality. Before long Strange – armed with newly acquired magical powers – is forced to choose whether to return
