

Chicago locals have seemingly figured out the location of "The Daily Planet" in Zack Snyder's upcoming Man of Steel, and it's the same building which was used in Christopher Nolan's Batman Begins as "Wayne Enterprises." The crew are reportedly setting up at Monroe and Lower Wacker in preparation to film at the Chicago Board of Trade Building, which will double as the iconic Metropolis location. Looking at the top of this building, it's certainly not too difficult to imagine the globe on top! Filming has now wrapped in Plano, IL, and while it was fairly secretive for the most part, we did get a fair few revealing set photos. Whether the same will apply for Chicago, we'll just have to wait and see, but if you live in the area and have any information or photos you'd like to share, be sure to get in touch!
