

You may not recognize Myanna Buring by face or name but by all accounts she is about to make a big splash in Hollywood. She will be playing Vampire leader Tanya in the final installment of the Twilight franchise; Breaking Dawn and you will see her soon in a British movie that is bound to cause a stir, the critically acclaimed Kill List. Anyway, you know your going places when you are called up to read for a part in a big CBM and Buring tells total film.. "I met Zack Snyder for Man Of Steel and read for Ursula, which was amazing" Now as we all should know. Ursula was the name of the Kryptonian villain from Superman 2. A variation on Ursa from the comics. As we also know, yet another variation on this character, Faora, is who we will be seeing in Man Of Steel. So was the original character to
