

The Canadian Press has released the following information about the Man of Steel filming, which is set to take place later this month until next year. What do you guys think they'll shoot in Vancouver? There's no solid indication in the below excerpts, but it definitely sounds as if we'll see Superman in more locations than just "Smallville" (Kansas) and Metropolis! "Autumn Frost will film in the Lower Mainland and Vancouver Island from early September through to the end of January 2012," Rino Pace, locations manager for production company Third Act Productions Inc., wrote in a letter to Ucluelet council. "We have been preparing the film since early spring, which includes building 'sets' in the various 'stages' in and around the Vancouver area..." Pace said Ucluelet has the "look" the directors and production designer envisioned. While in Ucluelet, filming will take place on land owned by a local First Nation and on a municipal
