

After the release of the official teaser trailer, I decided to go back and look at what we've seen over at San Diego Comic Con this month. So in this article, I quickly go through the interesting elements of that footage! Since I haven't seen any analysis of the footage due to poor quality, I decided to take the matters into my own hand. Let's start! [I couldn't embed the video, so you'll just have to check out the source for the improved footage!] I'm going to go scene by scene, touching here and there real quickly because I know you don't want to waste time to figure out the details! I'll skip the known snowy/oil rig stuff and jump to the cool beans. Screenshots are a little blurry but you can still make out what they are: This is the Kent Farm we all know and love. Love you Kansas. This is one of
