

There are a lot of interesting bits and pieces in the below video interview from G4TV, but none more so than director Marc Webb's answer to which villain we might see in the planned sequel to The Amazing Spider-Man. While he refused to directly answer the question for fear of creating too much of a stir, Webb revealed that the Green Goblin, Kraven the Hunter and Mysterio are his top three villains. So, what are the odds one of them turns up in the upcoming sequel?! If the embedded video below doesn't work, click [HERE](#).
