

By: Mark Julian After watching the hook ending of the premiere episode of The Walking Dead, my first thought was, "Oh sh\*t , Dick Cheney just shot that little boy!" All jokes aside, the ending was magnificent and practically guaranteed that you'd be tuning in next week to see what happens. The second episode opens with a flashback of Shane breaking the news to Lori that Rick was shot then we shift to Rick rushing Carl to Hershel's Farm to try and save his son from dying. Fans who follow the Robert Kirkman graphic novel know that this is a very important location but I won't spoil that here. What I will say about the farm is that it's discovery and the new group of survivors introduced will be the most important aspect of Season 2. Diving back into the episode, the first 30 minutes focuses on
