

Released via The Hollywood Reporter, here is a new teaser for Supercrooks; the latest Millarworld comic book series from writer Mark Millar and artist Lenil Yu. The teaser was written by Millar and directed/edited by Nacho Vigalondo. The duo wrote the script together for the upcoming big screen adaptation which, according to the Tweet below, will hit cinemas in 2014. Vigalondo will direct and Marc Platt, who produced Wanted, will produce. In case you missed it back in January, here is a preview of Supercrooks #1. Click on the preview pages to view them in full-size.
