

Kick-Ass 2 creators Mark Millar and John Romita Jr. are currently on the set of the film in London, and the former has taken to his Twitter account (@mrmarkmillar) to share his thoughts on what he's seen of the movie so far. You can find his comments in full below, and be sure to stay tuned for more updates on Jeff Wadlow's big screen adaptation of the critically acclaimed series right here on CBM. Are you looking forward to the movie? On the Kick-Ass 2 set. Watched 20 edited minutes of the movie today and mind blown. Everyone is awesome. Jeff is doing phenomenal job.— Mark Millar (@mrmarkmillar) October 15, 2012 Can't say anything else right now, but am so, so happy with how this is looking. PS Olga is even bigger in the flesh. Fight tomorrow.— Mark Millar (@mrmarkmillar) October 15, 2012 Doing foreign press today on Kick-Ass 2 set, all interviews embargoed
