

Once again speaking with The Wall Street Journal, 'Bruce Banner' actor Mark Ruffalo discussed Marvel's forthcoming Joss Whedon-directed superhero team up movie The Avengers. In addition to revealing one of many ways he prepared for his incredible Hulk role, Ruffalo also elaborates on the movie's essential idea. Mark Ruffalo says the coming film, "The Avengers," is an allegory for Americans. "You have all these disparate egos, superheroes in this and that, and they refuse to give up some of their positions in order to make a more perfect union and to join the team," Ruffalo says. "That's really what the whole movie is about: subjugating your own best interest momentarily to further that of the whole," he says. "I didn't know it a year ago that it was going to speak to so many of the issues we're having here in the United States and throughout the world, the same kind of theme," he says. "These
