

Last month, Sony Pictures Home Entertainment released the Marvel Anime TV shows Iron Man and X-Men, which both aired on G4 last summer, on DVD. Now, the official DVD release details for the other two Marvel Anime shows, Wolverine and Blade, have been announced. Both of the two-disc sets are to be released on July 31st. Below are the cover art and bonus features, as well as pre-order links: WOLVERINE ANIME stars Milo Ventimiglia(TV's "Heroes," TV's "Gilmore Girls") voicing the title character of Wolverine. The three new featurettes on this two-disc set include The Marvel Anime Universe: Wolverine Reborn, providing insights into the process for creating the series. The Ferocious Anti-Hero: Wolverine Defined explores the hero's character, and Wolverine Meets X-Men contains an interview with the creators of the Marvel anime Wolverine and X-Men. Click To Pre-Order BLADE ANIME features the voice of Harold Perrineau (TV's "Lost," Matrix trilogy) as Eric Brooks, otherwise known
