

Here's something I originally made to be sort a companion to my previous infographic post (MCU Character Connections) but eventually turned into a fairly comprehensive summary of all the main events that have happened in the Marvel Cinematic Universe and the general order and overlaps among them. It was mainly inspired by the the recent comic book tie-in, Avengers Prelude: Fury's Big Week, which sheds a bit of light on when certain events happen in relation to eachother in the Marvel Studios films. So enjoy!... and be kind - everything may not be perfectly accurate but I did my best and tried to portray it all in a unique way. The visual diagram can be seen in the picture below but if you click on it, you can see the whole piece with all the descriptions of events. The wording is a bit hard to read on the full version so
