

I always have mixed feelings about crossover storylines. First off they are like characters in television show that go through a dramatic event, but then it's revealed that it's all a dream and nothing you saw had any consequences. While the other part of me is excited because you always dream of what it would be like for Hulk to smash Superman, or Aquaman to go to Sizzler with Namor. I do have a soft spot for the DC vs. Marvel crossover from April to May of 1996. That series was illustrated by the always great Dan Jurgens and Claudio Castellini. While writing duties went to Ron Marz and Peter David. The main point was that there was eleven battles, and fans could vote on five of the outcomes. To see who came out on top in that battle, click here.. To read the full article at Bleeding Cool click here. In April,
