

"Coulson has always been the official/unofficial face of Marvel Cinematic Universe's S.H.I.E.L.D.," said Marvel Studios Creative Manager of Research and Development Will Corona Pilgrim in a recent interview with Newsarama about Clark Gregg's Agent Coulson. As fans know, S.H.I.E.L.D. has been a major character in the films as they clandestinely monitor the workings of various super powers; and while Nick Fury is the one in charge, Coulson is definitely the one in the trenches. After seeing such a positive reaction to the character in the first Iron Man movie, we never had a problem finding excuses to include Coulson. Like Nick Fury, the characters both expanded into the bigger Avengers picture as each film moved forward." Having become such a popular part of the cinematic universe, Agent Coulson (voiced by Clark Gregg) was soon announced as a part of the upcoming Ultimate Spider-Man animated series.
