

Here's a high quality reproduction of the (distressed) cover to Thor issue #151! This is a high quality print layered in an acid neutral, hand crafted double mat made with the highest quality, US-based materials! Good gravy, I hope Thor can handle this guy. I mean, Odin created the Destroyer to fight Celestials, so...not sure about his chances here. This baby can be displayed in a standard 11x14 frame or.....stand on it's on. And check out the precision bevel cuts to further enhanced the already significantly enhanced presentation of the print! You a fan of Thor? You....betting on Thor's chances against the Destroyer? You...enjoy quality prints of classic comic book cover reproductions? Yes to all three? Then what are you waiting for?
